

SETTING UP A FACEBOOK FUNDRAISER

**EPILEPSY
FOUNDATION**
New England

The
Matty Project

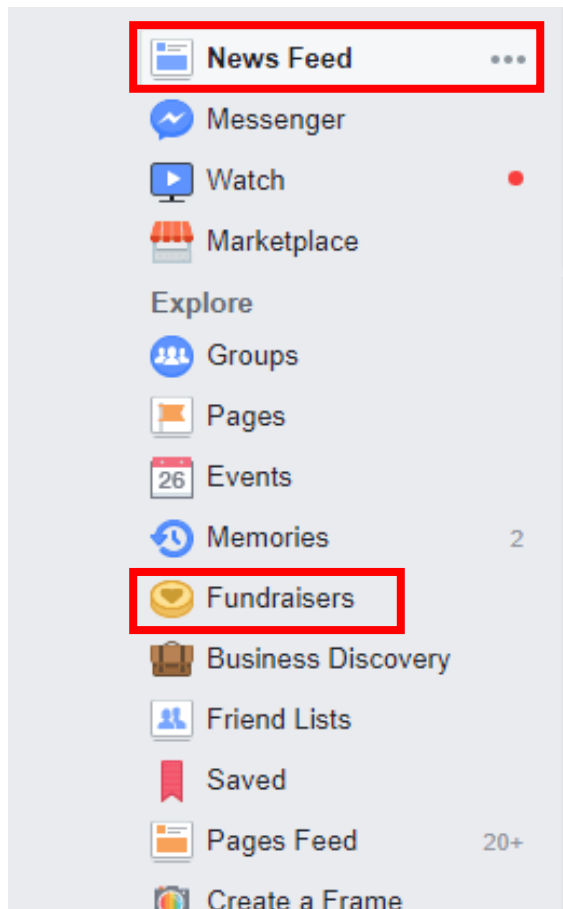

On behalf of the 100,000 people affected by epilepsy living in New England, we thank you for taking the initiative to raise funds for Epilepsy Foundation New England! With your help, we are able to provide much-needed programs and services to those in our epilepsy community.

Please note that when you host a fundraiser, Epilepsy Foundation New England does not receive enough information about an individual to send them an acknowledgement letter or a tax receipt.

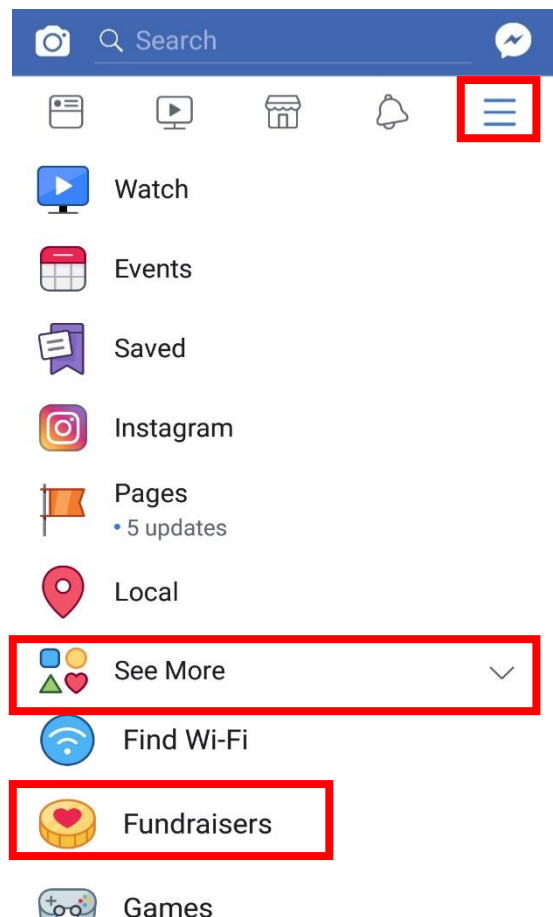

If you would like us to send that information, please email jbowe@epilepsynewengland.org and let her know that you would like a thank you letter. We encourage you to send your friends or donors a thank you letter. Please let them know that if they would like a tax receipt to connect with jbowe@epilepsynewengland.org too.

If you are interested in setting up a Facebook fundraiser, this step-by-step guide will help you through the easy process to start raising funds for EFNE!
